BEKİR OTURAKÇI
TRAINING COORDINATOR

The cardcert brand name and logo on this certificate are used to ensure "online" traceability by uploading the JPG/PDF version of the paper document to the cardcert electronic certificate and/or software. Failure to issue an electronic certificate card with the paper certificate given to the participant invalidates the software query of this certificate. The organization of this training program and all the contents in the training document have been signed and certified under the responsibility of our BILTEKNO MEDYA PAZ. EGITIM VE BILISIM TIC.LTD.STI.
